Financial news for AMBC dated on 2020-05-13: Shares of several companies in the financial services sector are trading lower amid market weakness, potentially related to cautious comments from Fed Chair Powell, who suggested uncertainty and 'significant' downside risks in the economy. The coronavirus pandemic has slowed economic growth and led to businesses scaling back investment, which has negatively impacted the financial sector.

Financial news for AMBC dated on 2020-05-12: Shares of several companies in the financial services sector are trading lower. Weakness potentially related to economic uncertainty as a result of the coronavirus pandemic, which has caused businesses to scale back investment. US states easing lockdown restrictions has led to some investor concerns of a resurgence in cases, which could further hamper economic outlook.
