

Financial news for KRC dated on 2020-06-05: Shares of several real estate companies are trading higher following strong US jobs numbers and continued optimism surrounding the reopening of the US economy.

Financial news for KRC dated on 2020-06-03: Shares of several real estate companies are trading higher as equities continue to gain on optimism over the economy reopening, which could potentially increase mortgage demand as well as a smaller-than-expected drop in nonfarm payrolls.

Financial news for KRC dated on 2020-05-18: Shares of several real estate companies are trading higher in sympathy with the overall market as optimism around a coronavirus vaccine increased following news from Moderna. A vaccine can allow economic activity and consumer spending to increase.

Financial news for KRC dated on 2020-05-15: Shares of several real estate companies and REITs are trading lower as equities across sectors drop for the session following a record drop in US retail sales. NOTE: The economic slowdown as a result of the coronavirus pandemic has caused weakness in the broader real estate sector, as many businesses scale back investment and as a larger number of Americans work from home.
