

Financial news for MARA dated on 2020-06-10: Shares of several technology companies are trading higher on continued volatility despite market weakness. The sector sold off recently as other sectors gained amid US economic reopening and appears to be rebounding.

Financial news for MARA dated on 2020-06-04: Shares of several technology companies are trading higher as the market continues to gain on optimism over an economic reopening as well as a smaller-than-expected drop in nonfarm payrolls. The economy reopening could mean more consumer spending.

Financial news for MARA dated on 2020-06-03: Shares of several technology companies are trading higher as equities continue to gain on optimism over an economic reopening as well as a smaller-than-expected drop in nonfarm payrolls. The sector has performed well this year amid the stay-at-home environment, which has been a positive for virtual communication, enterprise software and e-commerce.
