

Financial news for ELS dated on 2020-06-05: Shares of several real estate companies are trading higher following strong US jobs numbers and continued optimism surrounding the reopening of the US economy.

Financial news for ELS dated on 2020-05-26: Shares of several real estate companies are trading higher in sympathy with the overall market as equities rally on coronavirus vaccine hopes as well as a pickup in economic activity as some US states reopen businesses. A vaccine could increase consumer spending in the sector.

Financial news for ELS dated on 2020-05-18: Shares of several real estate companies are trading higher in sympathy with the overall market as optimism around a coronavirus vaccine increased following news from Moderna. A vaccine can allow economic activity and consumer spending to increase.

Financial news for ELS dated on 2020-05-12: Shares of several real estate companies and REITs are trading lower amid market uncertainty. NOTE: The economic slowdown as a result of the coronavirus pandemic has caused weakness in the broader real estate sector, as many businesses scale back investment and as a larger number of americans work from home. This has also led to uncertainty surrounding rent payments from businesses facing financial distress.
