

Financial news for FBP dated on 2020-06-09: Shares of several financial services companies are trading lower as equities sell off following recent rally. Stocks have rallied over the past week amid optimism towards the US economy reopening and investors have potentially taken some profits following run up. Investors are also awaiting Wednesday's Fed announcement.

Financial news for FBP dated on 2020-06-05: Shares of several financial services companies are trading higher following strong US jobs data and continued optimism amid the reopening of the economy.

Financial news for FBP dated on 2020-06-03: Shares of several financial services companies are trading higher as equities continue to gain on optimism over an economic reopening as well as a smaller-than-expected drop in nonfarm payrolls.

Financial news for FBP dated on 2020-05-14: Shares of several financial companies are trading higher. Not seeing any sector-wide news to justify the price action. NOTE: The financial sector rebound is leading the market higher today.

Financial news for FBP dated on 2020-05-13: Shares of several companies in the financial services sector are trading lower amid market weakness, potentially related to cautious comments from Fed Chair Powell, who suggested uncertainty and 'significant' downside risks in the economy. The coronavirus pandemic has slowed economic growth and led to businesses scaling back investment, which has negatively impacted the financial sector.
