

Financial news for FCNCA dated on 2020-05-14: Shares of several financial companies are trading higher. Not seeing any sector-wide news to justify the price action.
NOTE: The financial sector rebound is leading the market higher today.

Financial news for FCNCA dated on 2020-05-13: Shares of several companies in the financial services sector are trading lower amid market weakness, potentially related to cautious comments from Fed Chair Powell, who suggested uncertainty and 'significant' downside risks in the economy. The coronavirus pandemic has slowed economic growth and led to businesses scaling back investment, which has negatively impacted the financial sector.
