

Financial news for VTR dated on 2020-06-11: Shares of several real estate companies are trading lower following an increase in coronavirus cases in some US states that have reopened, leading to concerns of a second wave of the virus. The Fed also kept rates at zero and noted it could stay there for as long as it takes for the economy to recover.

Financial news for VTR dated on 2020-06-10: Shares of several real estate companies are trading lower as markets sell off following recent strength and as investors await today's Federal Reserve decision.

Financial news for VTR dated on 2020-06-09: Shares of several real estate companies are trading lower as equities sell off following recent rally. Stocks have rallied over the past week amid optimism towards the US economy reopening and investors have potentially taken some profits following run up.

Financial news for VTR dated on 2020-06-08: Shares of several real estate companies are trading higher on continued upward momentum surrounding the economy reopening, which would increase consumer spending and economic activity.

Financial news for VTR dated on 2020-06-05: Shares of several real estate companies are trading higher following strong US jobs numbers and continued optimism surrounding the reopening of the US economy.

Financial news for VTR dated on 2020-06-03: Shares of several real estate companies are trading higher as equities continue to gain on optimism over an economic reopening, which could potentially increase mortgage demand as well as a smaller-than-expected drop in nonfarm payrolls.

Financial news for VTR dated on 2020-06-01: Shares of several real estate companies are trading higher as equities gain amid continued optimism towards a rebound in economic activity, which could lead to a potential rebound in spending.

Financial news for VTR dated on 2020-05-26: Shares of several real estate companies are trading higher in sympathy with the overall market as equities rally on coronavirus vaccine hopes as well as a pickup in economic activity as some US states reopen businesses. A vaccine could increase consumer spending in the sector.

Financial news for VTR dated on 2020-05-18: Shares of several real estate companies are trading higher in sympathy with the overall market as optimism around a coronavirus vaccine increased following news from Moderna. A vaccine can allow economic activity and consumer spending to increase.
