Financial news for GPRE dated on 2019-10-21: Shares of several basic material companies are trading higher on renewed trade optimism. White House Economic Advisor Larry Kudlow said the December tariffs could be removed if U.S.-China trade talks go well.

Financial news for GPRE dated on 2019-10-11: Shares of several basic material companies are trading higher after President Trump made positive remarks on the U.S.-China trade talks as traders grew more optimistic over the possibility of a limited trade deal. Trump is scheduled to meet with Chinese Vice Premier Liu He at the White House today.

Financial news for GPRE dated on 2019-10-08: Shares of several basic material companies are trading lower as optimism around the upcoming U.S.-China trade talks waned. A report says China is toning down its expectations of the meeting. The U.S. expanded its trade blacklist, and scheduled an increase in tariffs on \$250 billion worth of Chinese goods from 25% to 30% on Oct. 15, which will go into effect if no progress is made.
