

Financial news for UBSI dated on 2020-06-10: Shares of several financial services companies are trading lower as markets sell off following recent strength and as investors await today's Federal Reserve decision. UPDATE: Equities spiked following the Fed's decision to leave rates unchanged, with several stocks now up for the session.

Financial news for UBSI dated on 2020-06-05: Shares of several financial services companies are trading higher following strong US jobs data and continued optimism amid the reopening of the economy.

Financial news for UBSI dated on 2020-06-03: Shares of several financial services companies are trading higher as equities continue to gain on optimism over an economic reopening as well as a smaller-than-expected drop in nonfarm payrolls.

Financial news for UBSI dated on 2020-05-27: Shares of several financial services companies are trading higher amid economic optimism, stemming from some US states reopening businesses, an increase in mortgage demand figures, and positive vaccine sentiment.

Financial news for UBSI dated on 2020-05-20: Shares of several global financial services companies are trading higher as equities gain amid strength in oil, strong earnings from Lowe's, and optimism towards a US economic rebound.

Financial news for UBSI dated on 2020-05-13: Shares of several companies in the financial services sector are trading lower amid market weakness, potentially related to cautious comments from Fed Chair Powell, who suggested uncertainty and 'significant' downside risks in the economy. The coronavirus pandemic has slowed economic growth and led to businesses scaling back investment, which has negatively impacted the financial sector.
