

Financial news for MFA dated on 2020-06-11: Shares of several financial service companies are trading lower following an increase in coronavirus cases in some US states that have reopened, leading to concerns of a second wave of the virus. The Fed kept rates at zero and noted it could stay there for as long as it takes for the economy to recover.

Financial news for MFA dated on 2020-06-10: Shares of several financial services companies are trading lower as markets sell off following recent strength and as investors await today's Federal Reserve decision. UPDATE: Equities spiked following the Fed's decision to leave rates unchanged, with several stocks now up for the session.
