

Financial news for FL dated on 2020-06-08: Shares of several retail and apparel companies are trading higher on continued upward momentum surrounding the economy reopening, which would increase consumer spending and economic activity. New York City moved into phase one of its reopening plan on Monday.

Financial news for FL dated on 2020-06-05: Shares of several retail and apparel companies are trading higher following strong US jobs data and continued optimism amid the reopening of the economy. As the economy reopens, consumer spending in the sector should increase.

Financial news for FL dated on 2020-06-03: Shares of several companies in the broader consumer discretionary space are trading higher as markets continue to gain on optimism over an economic reopening as well as a smaller-than-expected drop in nonfarm payrolls. The economy reopening could mean more consumer spending which is good for the sector.
