

Financial news for PSA dated on 2020-06-11: Shares of several real estate companies are trading lower following an increase in coronavirus cases in some US states that have reopened, leading to concerns of a second wave of the virus. The Fed also kept rates at zero and noted it could stay there for as long as it takes for the economy to recover.

Financial news for PSA dated on 2020-05-18: Shares of several real estate companies are trading higher in sympathy with the overall market as optimism around a coronavirus vaccine increased following news from Moderna. A vaccine can allow economic activity and consumer spending to increase.

Financial news for PSA dated on 2020-05-12: Shares of several real estate companies and REITs are trading lower amid market uncertainty. NOTE: The economic slowdown as a result of the coronavirus pandemic has caused weakness in the broader real estate sector, as many business scale back investment and as a larger number of americans work from home. This has also led to uncertainty surrounding rent payments from businesses facing financial distress.
